ARUN SAPKOTA

Civil Engineer

Melbourne, Australia · arunsapkota321@gmail.com · sapkotaarun.com.np

PROFILE

Civil engineer with a Bachelor's degree from Pulchowk Campus, Nepal, completing a Master of Engineering (Civil) at CQUniversity, Melbourne. Experience in road design and cost estimation and in teaching mathematics. Seeking a civil engineering role that uses design skills and teamwork.

EDUCATION

2025 – Present
Master of Engineering (Civil)
CQUniversity, Melbourne Campus, Australia

Oct 2017 – Apr 2023
Bachelor of Civil Engineering
Pulchowk Campus, Lalitpur, Nepal

EXPERIENCE

Dec 2024 – Jun 2025
Civil Engineer
Notion Engineering Consultancy Pvt. Ltd., Nepal

- Survey, detailed design and cost estimation for road construction projects.
- Contributed to the TU Curriculum Center to Umadevi Temple road section (2.6 km, one lane).
- Coordinated with teams to meet project specifications and deadlines.

Aug 2023 – Dec 2024
Lecturer, Mathematics (Plus Two)
Trinity International Secondary School/College, Nepal

- Taught mathematics to senior secondary students.
- Wrote lesson plans that helped students improve their results.

SELECTED PROJECTS

2025
Umadevi Temple road section
Survey, detailed design and cost estimation of a 2.6 km one-lane road.

2026
Steel portal-frame shed (team)
Single-storey industrial shed, 15 m span, 30 m long. Wind and gravity actions, member checks and connections to AS 4100.

2026
Reinforced concrete building
Flat-slab design with moment distribution, reinforcement and shear checks to AS 3600.

2026
Pavement design (team)
Flexible and rigid pavement design using Austroads methods and CIRCLY.

2026
Traffic analysis
Level of service for two-lane, multilane and freeway cases using HCM methods.

2026
Cement-replacement mortar study
Research plan on calcined oyster shell and waste glass powder as partial cement replacements.

SKILLS

Software: AutoCAD, Civil 3D, ETABS, Space Gass, CIRCLY, Word, Excel, PowerPoint

Programming: C, Python

Languages: English (fluent), Nepali (native)

LEADERSHIP

- Class Representative at Pulchowk Campus for 4 years.
- Team leader of the final-year Bachelor's project.
- Awarded for anchoring student programs during college.
